8<sup>th</sup> July 2011

Dear Mrs Pritchard

I am writing to thank you for the wonderful job White Dove Release did for us on Friday 1<sup>st</sup> July 2011, and especially for all the effort Donna put into the event. She once again managed to put people at their ease, including one lady who wanted to release a dove but was a bit concerned she would not be able to hold the bird.

I would also like to make special mention of the dove cage, which looked lovely, and I know those who released the doves were especially grateful for the flowers presented to them from the cage as a memento.

As you will remember this dove release took place to mark Action Mesothelioma Day, a day which exists to raise awareness of this condition and to provide a memorial to those who have passed away. Most of the people who attended the dove release have lost a family member or a friend to this terrible disease, and the professionalism and care taken with the release by your company meant an awful lot to all those present.

I would be happy to recommend your service to others and we will definitely be in touch for next year's event.

I hope this finds you well.

Yours sincerely

Douglas Jewell  
Project Manager
