

White Dove Release

Dove Release at Weddings

It's your day and we are here to make it special by offering a range of services to suit your plans. Doves can be released at the church or reception; from baskets or cages; they can be displayed at the entrance when guests arrive or when you sign the register. Flowers, ribbons and bows reflect your colour scheme – we've even decorated cages with jigsaw pieces! Tell us what you want and how many birds and we will arrange it.
